RE: Snoqualmie Railroad Days – August 20-22, 2010

We are pleased to offer you the opportunity to be a sponsor of the 2010 Snoqualmie Railroad Days. The 72nd edition of Snoqualmie Railroad Days is almost here! Beginning Friday afternoon, August 20th, the excitement will be palpable as vendors move in, the beer garden opens and the main stage comes alive with the first of many bands and entertaining acts. On Saturday, August 21st, the celebration gains momentum with a fun run and pancake breakfast. The Grand Parade will march down Railroad Avenue. Musical acts will entertain you on the main stage. Delicious aromas will tempt your taste buds as they waft toward you from the food court. The Beer Garden will serve up the suds. The Children’s Field of Fun promises games, live entertainment, crafts and a Root Beer Garden. Railroad and Logging Equipment will be open for tours at the Snoqualmie Depot. The Northwest Railway Museum’s train excursions will whisk you to the top of Snoqualmie Falls and beyond, for a panoramic view of the valley. Artisans will display and sell their wares. Local services and businesses will be on hand to show you what they can do for you. On Sunday, the Legends Classic Car Club will host hundreds of vehicles and their drivers, as the entertainment, vendors and train excursions continue. Sounds like fun, doesn’t it?
